# IT'S ALL HAPPENING AT NORWOOD MALL

Norwood Mall has enhanced its first-class shopping experience with one of South Africa's leading markets and an array of exciting new shopping and leisure offerings.

Norwood Mall is the proud host to the new B&B Norwood Rooftop Market, a unique concept with over 300 traders operating from its parkade every Sunday.

The market offers a complete sensory experience with a wide range of gourmet foods, arts and crafts, antiques and collectables on offer. Musicians, magicians, belly dancers and a host of other entertainers add to the already buzzing atmosphere. Aside from this wonderful weekly treat, Norwood Mall is also pleased to welcome exciting new tenants to its already extensive mix.

Keeping visitors fit, Sweat 1000, a healthy new addition to the mall, integrates components of interval training, functional training, core stability work, athletic training and agility training into a one-hour dynamic, action-packed class, guaranteed to be different every single time.

The Cavaleros Group, owners of Norwood Mall, has invested over R5 million in creating

The market offers a complete sensory experience

new premises for this exciting new fitness club.

"We are so excited to have Sweat 1000 join us, with their innovative approach to fitness, and they are a welcome addition to our mall," says Leila Daya, General Portfolio Assistant at Cavaleros, owners of Norwood Mall.

Adding even more to the mall, Clicks and Beauty Factory will open in December and,

with its unique take on the froyo craze sweeping South Africa, Lick Love Frozen Yoghurt will open its first concept store at Norwood Mall this month.

Chanson Fashions specialises in women's clothing and accessories, and Mellissa Shoes, an international brand well known for their adorable jelly shoes in a wide range of styles and colours, can now also be found at Norwood Mall.

Also joining the 80-plus retailers at the centre is Kidzazzle, the ultimate arts and craft store for kids, as well as Smarticles, an educational toy store with a wide range of fun toys, books and stationery.

Bookworms can indulge their love for the written word at Readers' Warehouse, with new books delivered every week.

Catering to home décor fanatics is Divine Tableware, offering a wide selection of décor and furniture items to suit every taste. Jewellery store Attitude – a big drawcard for customers who love to sparkle – also recently opened its doors at Norwood Mall.

There's no better way to complete a shopping trip to Norwood Mall than with a glass of wine and a tasty treat at the FLM Wine Bar, another new addition to the mall.

"We are constantly looking to grow and improve Norwood Mall to better suit the needs of our customers, and with all of these new offerings at our mall, there is no doubt that we have achieved just that – Norwood Mall has everything anyone could want in one convenient location," says Daya.
