

Standard Bank development in progress

Move your business in the right direction

Samrand - strategically located on the N1 between Johannesburg and Tshwane - offers a unique selection of commercial and industrial stands.

With approved electricity supply and easy access to Pretoria, OR Tambo International Airport and the East and West Rand, Samrand brings the best of two cities together.

If you want high visibility and good exposure for your business, make a move to Samrand, where warehouses and factories can be developed in line with your specific requirements.

For more information on the benefits of moving your business to Samrand, call the Cavaleros Group on (011) 622 3026 or visit www.samrand.co.za

It's the smartest move you'll make in 2009
