

## SHOUT IT FROM THE NEW B&B NORWOOD MARKET THE ROOFTOPS: OPEN EVERY SUNDAY!

What better way to treat all five senses than to take yourself off to the market? But not just any market will do, it needs to offer a complete experience. The good news is those who have experienced the wonders of the Rosebank Rooftop Market can now indulge themselves at the newly launched Rooftop Market located at Norwood Mall.

**B&B Markets has made Norwood Mall its new home and officially launched the new and improved market on September 1st. Originally launched in 1993, the market has a proud 20 year history of delighting shoppers,**

browsers and curiosity seekers, it has been selected as Joburg's premier market for 17 consecutive years.

Today it is one of Gauteng's foremost lifestyle destinations, offering a full and varied Sunday market experience for the entire family.

With over 300 traders, Norwood Market offers a complete sensory experience with a wide range of gourmet foods, with arts and crafts, antiques and collectables on offer. Musicians, magicians, belly dancers and a host of other entertainers add to the already buzzing atmosphere.

"The opening of the market was a great success, and we couldn't be more thrilled to be hosting the market on our own rooftop," says Leila Daya, General Portfolio Assistant at The Cavaliers Group, owners of Norwood Mall. "You would be hard pressed to find a better place to discover and experience new things."

The market of choice for most! It has become a Sunday tradition for so many Jo'burgers, and a highlight for the hordes of tourists who wander from stall to stall each weekend.

The variety of goods on offer is only one of the factors attributing to the great success of the market. Everything from the useful to the not so useful, there are bargains and luxuries on offer and everything in between. Add to that the delectable food stalls with an assortment of delicious cheeses and other pantry essentials, international cuisines, sinful pastries and cakes, and there can be no excuse for missing this weekly treat!

"The Norwood Market has been carefully tailored to enhance all the excitement of the traditional craft and flea market experience with the convenience of formalised retail shopping. We feel that this can only add to the fantastic shopping experience Norwood Mall has to offer," says Daya.

**B&B's new flagship market at Norwood Mall is wheelchair accessible and also has a dedicated parking area for the elderly adjacent to the stalls. For added convenience,**

it is also situated near the banking mall.

Located on 6th Ave, Norwood at the Norwood Mall, the market is situated on the mall's roof parking and takes place every Sunday from 9am until 4pm.
